

# STOP THE 6 THIEVES TAKING MONEY FROM YOUR TILL

Being a retailer is tough enough... without a bunch of thieves stealing your takings.

TILL BOOSTERS aims to stop these thieves dead in their tracks.

In a witty and informative presentation, David Engwicht will share six myths that are robbing most retailers blind. He will also launch TILL BOOSTERS... a program that aims to put more money in your till.

TILL BOOSTERS is part of the WESTPORT REVITALISATION program, which also includes a 7 Day Makeover in the town centre.

*'We implemented just one of David's ideas and it contributed to our takings jumping by 40%'*

*Salt Air, NZ*

David Engwicht is considered one of the world's most innovative thinkers on how building a sense of place can improve the prosperity of shopping precincts.
